Road Cutting Service – Process Flow

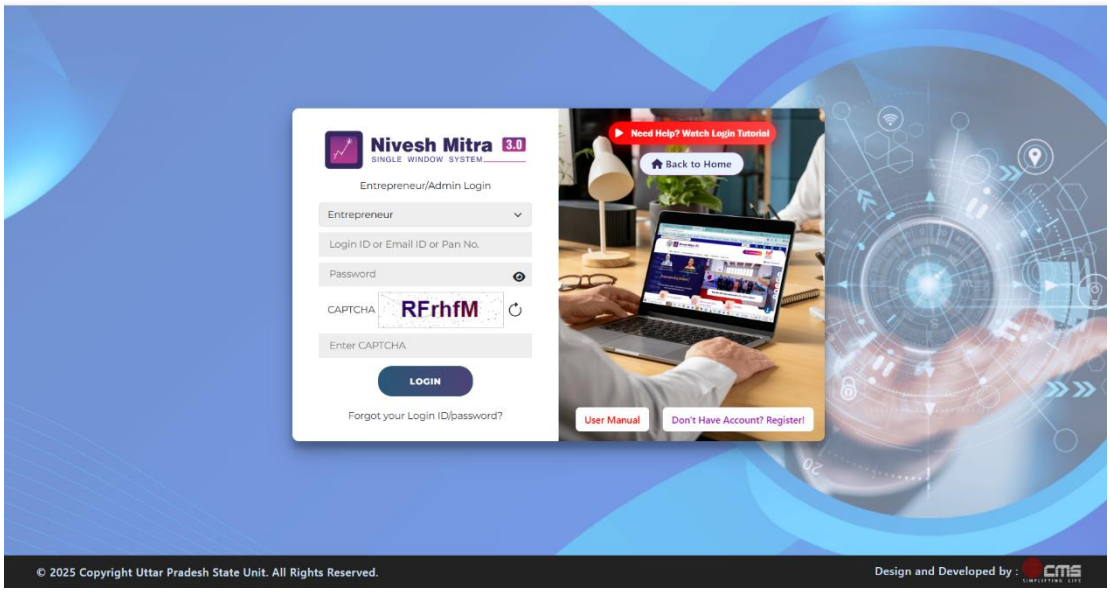

Portal: Nivesh Mitra 3.0 – Single Window System, Uttar Pradesh **Service:** UP PWD Road Cutting (PWD Grant of Road Cutting Permission) **Applicant role:** Entrepreneur

1. Process Flow at a Glance

1. Login to the portal
2. Open **Pre-Establishment** from the top menu
3. Click the **Edit** icon against the required unit
4. Select the service in the *Know Your Approval* questionnaire
5. The **Common Application Form (CAF)** opens – fill and click **Save & Next**
6. The **Road Cutting service form** opens – fill and click **Save**
7. Proceed for **Final submit.**

Step 1 – Login

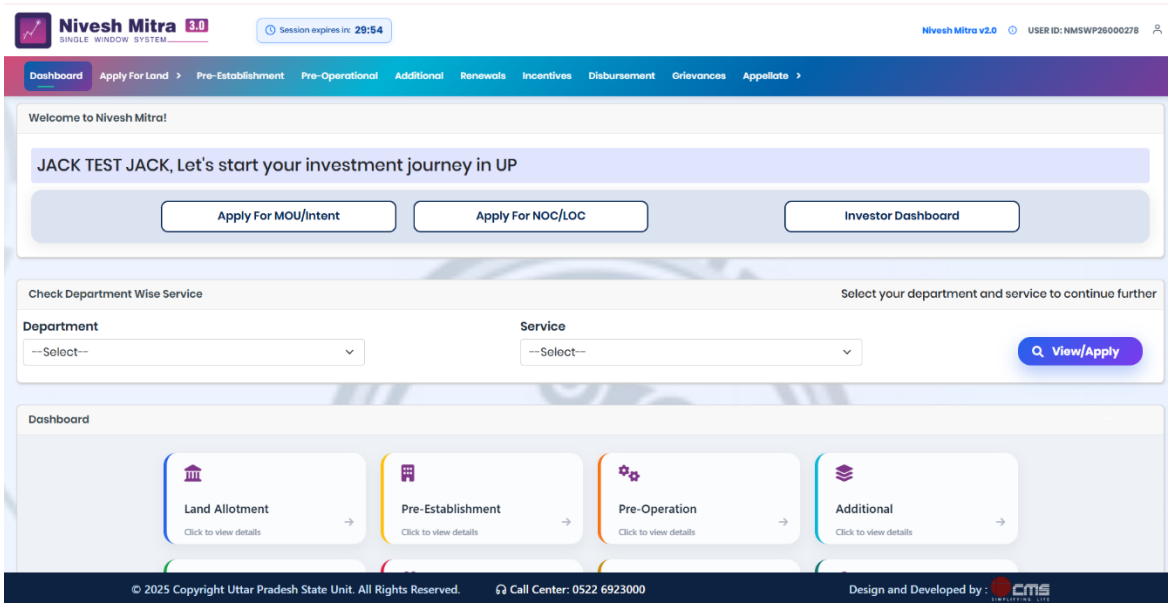

- Open the Nivesh Mitra portal and log in with the entrepreneur User ID and credentials.

Step 2 – Pre-Establishment

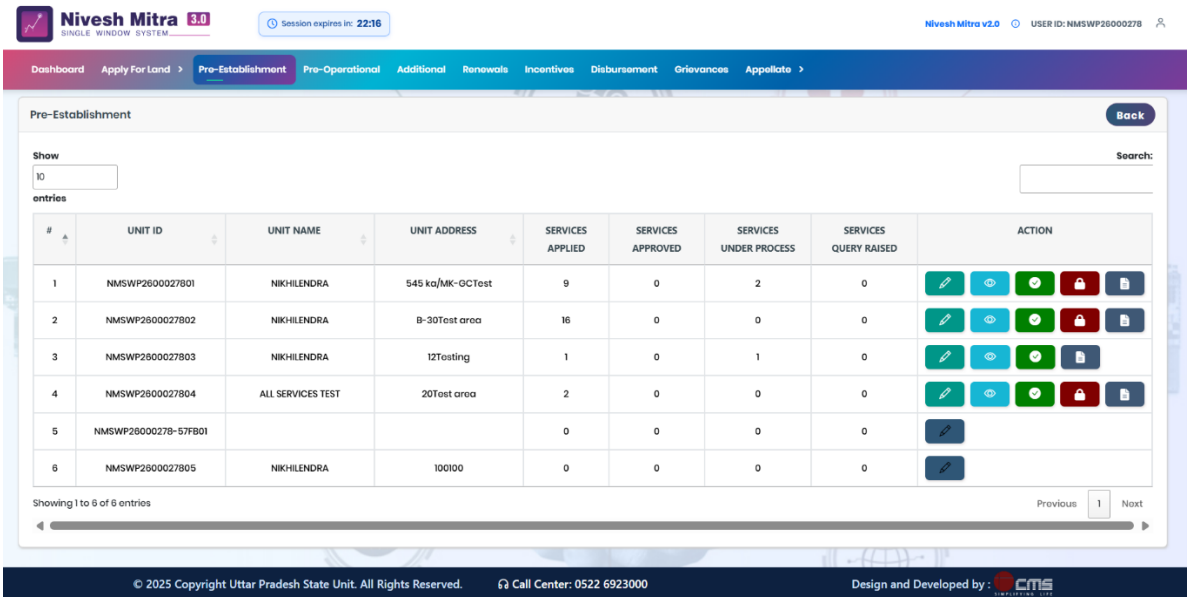

- Click **Pre-Establishment** in the top menu.

- The Pre-Establishment page lists all units of the user in a table with these columns: Unit ID, Unit Name, Unit Address, Services Applied, Services Approved, Services Under Process, Services Query Raised and Action.

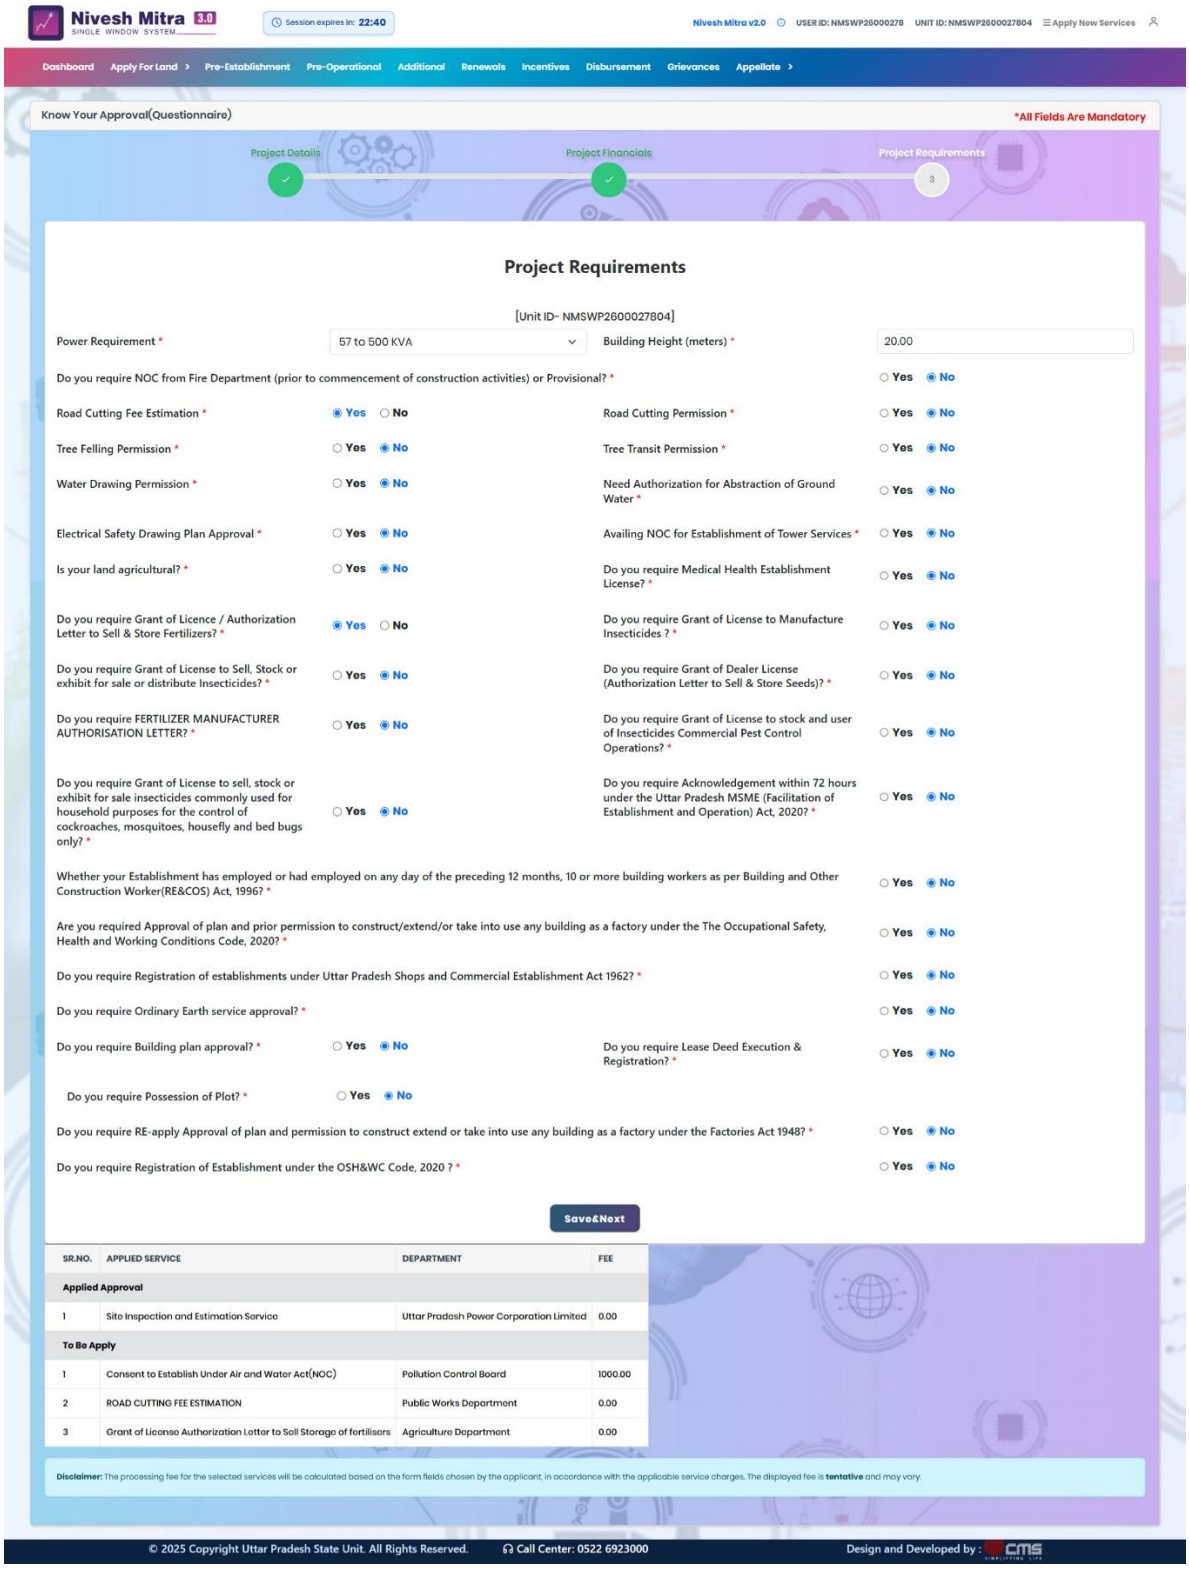

Step 3 – Edit Icon

- Locate the required unit (for example, Unit ID NMSWP2600027804 – ALL SERVICES TEST).
- Click the **Edit (pencil)** icon in the Action column.

Step 4 – Select Service (Know Your Approval Questionnaire)

- The *Know Your Approval (Questionnaire)* page opens, with three stages: **Project Details**, **Project Financials** and **Project Requirements**.
- For the Road Cutting service, select **Yes** against **Road Cutting Fee Estimation**. Select **Yes** against **Road Cutting Permission** if the permission itself is also required.
- The table below the questionnaire lists **Applied Approvals** and **To Be Applied** services with their department and tentative fee. Confirm that *Road Cutting Fee Estimation – Public Works Department* appears under **To Be Apply**.
- Click **Save & Next**.
